Color Disclaimer: Colors will not match what you see on your computer screen or in print from your home/business printer. First, consider that color shades differ from monitor to monitor and from printer to printer, so you are not seeing the true colors when looking at a proof. Additionally, monitors and many printers are not using a 4-color spectrum, so the range of color differs with professional printing. Coating, paper stock, paper brightness, and different paper lots also will change the saturation and contrast of print material. Printing will be done for best overall results on your job, but even on repeat orders colors may differ slightly. By purchasing this item you fully understand the above mentioned.

The BORDER line does not print- it indicates position only and shows how the cards will be positioned/trimmed
